## Linea Farro

Farro Grain line

### **Buono, pratico e versatile!**

**Il nostro farro in chicchi si presta a tantissime preparazioni sia calde che fredde:** zuppe, minestrone, ma anche insalate e dolci. Un cereale antico ma quanto mai versatile.

Inoltre ha caratteristiche nutrizionali assai interessanti: è molto saziante, è ricco di elementi nutritivi, è povero in grassi. Poggio del Farro lo propone in diverse preparazioni: **DECORTICATO (integrale)** – **PERLATO** (si cuoce velocemente senza bisogno di ammollo, per INSALATE sfiziose) – **MONOCOCCO** (il più antico) – **GERMOGLIATO** (tutta la vitalità della natura) – **COUSCOUS integrale** (facile e veloce pronto in 5 minuti).

### **Good, practical and versatile!**

**Our emmer in grains lends itself to a lot of both hot and cold preparations:** soups, minestrone, but also salads and sweets. An old but extremely versatile cereal, it has interesting nutritional characteristics: it is very filling, rich in nourishing elements and poor in fat.

Poggio del Farro offers it in different preparations: **DEHUSKED (whole grain)** – **PEARLED** (easy to cook with no soaking, ideal for salads) – **EINKORN** (the oldest!) – **SPROUTED** (all the vitality of nature!) – **COUSCOUS, whole grain** (ready in 5 minutes).

# Farine

## Flours

Le nostre **FARINE di FARRO** sono la **base ideale per tante ricette** e per accendere la vostra creatività in cucina. Dal caratteristico sapore intenso sono **ideali per la preparazione di pane, pasta, dolci e biscotti** e per molte altre preparazioni. Tutte prodotte con farro proveniente da **agricoltura biologica**.

**Farine di Grani Antichi: FARINA di FARRO MONOCOCCO - FARINA di FARRO DICOCCO - FARINA ai 3 FARRI**

Riscopriamo insieme il gusto autentico di cereali unici, dimenticati per secoli perché di scarsa resa produttiva e complessa lavorazione, tutelando così le biodiversità del nostro bellissimo territorio così come la nostra storia e la nostra millenaria cultura alimentare.

Our **FARRO FLOURS** are the **ideal base for a lot of recipes** and an inspiration for your creativity in the kitchen. With a characteristic intense flavour, are **perfect to prepare bread, pasta, sweets and biscuits** and for many other preparations. All produced with farro from **organic farms**.

**Ancient Grain Flours: EINKORN FLOUR - EMMER FLOUR - FLOUR WITH 3 FARRO GRAINS**

Let's rediscover together the authentic taste of unique cereals, forgotten for centuries because of the poor production yield and complex processing, thus protecting the biodiversity of our beautiful lands as well as our history and our millenary food culture.

## Pasta

Pasta

La nostra **specialità integrale di farro** è prodotta in **6 diversi formati** con solo sfarinato integrale di Farro della varietà: *Triticum dicoccum* proveniente da **agricoltura biologica** e acqua.

La **trafilatura al bronzo** le dona una superficie ruvida che la rende particolarmente adatta ad assorbire il condimento mentre la **lenta essiccazione** ne esalta le qualità organolettiche.

La nostra **pasta integrale di farro** si sposa bene con ricette semplici a base di verdure di stagione e può quindi considerarsi un alimento adatto per chi segue un'**alimentazione Vegetariana e Vegana**.

Our **organic whole grain Farro pasta** is produced in **6 different shapes** with just **organic whole Farro flour** (*Triticum dicoccum* variety) and water.

**Bronze drawing** gives it a rough surface that makes it particularly suitable to absorb sauces, while **slow drying** enhances its organoleptic qualities.

Our **organic whole grain Farro pasta** goes well with simple recipes based on seasonal vegetables and can therefore be considered a food suitable for **vegetarian and vegan diets**.

**TAGLIATELLE di FARRO all'UOVO:** specialità prodotta con la **sola semola di farro integrale e le uova fresche**, ben 6 per ogni chilogrammo di semola, la sfoglia di farro viene essiccata lentamente a basse temperature. La superficie volutamente irregolare e rugosa è ideale per “abbracciare” il condimento e liberare tutto il gusto del farro.

**GNOCCHI – veloci da preparare e gustosi:** deliziosi gnocchi di patate ottenuti utilizzando il 20% di farina di farro.

Fonti di fibre, gustosi, sono ottimi con il pesto, si accompagnano con successo a sughi di verdura o di carne o semplicemente con burro fuso e salvia.

**FARRO ESPRESSO BIO:** pratico e versatile, il nostro **farro precotto espresso** è ideale sia per **un'insalata** che per una **minestra**.

**EGG FARRO TAGLIATELLE:** *this exclusive specialty, produced just with **whole Farro semolina and fresh eggs**, is dried slowly like in the traditional way at low temperatures. A really unique product, with an intentionally irregular and rough surface, ideal to “embrace” the sauce and free all the taste of Farro.*

**FARRO GNOCCHI – ready to prepare and tasty:** delicious potato gnocchi with 20% emmer flour.

A source of fibre, wholesome and tasty, they are superb with pesto ideal also with vegetable or meat sauces or simply with melted butter and sage.

**ORGANIC EXPRESS FARRO:** practical and versatile, our **express precooked farro** is ideal for both **salads** and **soups**.

## Prodotti da Forno

Bakery products

Quando le nostre farine di farro incontrano l'esperienza di una **Pasticceria artigianale Toscana**, non possono che nascerne prodotti dolciari di tutta eccellenza. I nostri **BISCOTTI ARTIGIANALI**, prodotti con **sola farina integrale di farro**, sono frutto di una lavorazione artigianale che, a partire dalla selezione delle materie prime fino alla cura nel confezionamento ha come obiettivo quello di offrire solo prodotti di elevata qualità.

Non è stato necessario inventare niente di nuovo perché è proprio grazie alla semplicità delle ricette ed alla tradizionale genuinità che la nostra pasticceria piace a grandi e piccini.

*When our emmer flours meet the experience of **Tuscan artisan pâtisserie**, only excellent sweet products can be created. Our **ARTISAN BISCUITS**, produced with **just Farro whole grain flour**, come from artisan processing that, starting from the selection of raw materials down to the care in packaging, has the objective of offering only high quality products.*

*We needed to invent nothing new because it is thanks to the simplicity of the recipes and traditional wholesomeness that our pâtisserie is liked by adults and children alike.*
